Group Fitness Class Descriptions

***20/20/20:** Cardio/Strength/Abs and Stretching. Bike/Strengths/Abs (Every 3rd Friday)

Chair Yoga: Allows those who have physical limitations to participate in a gentle form of yoga while sitting in a chair. This works the joints and muscles to increase flexibility, strength, balance, and circulation.

Cycle Fit, Cycle 60, Cycle 45: Intense cardio cycle workout.

***Gentle Yoga:** Emphasizes stretching and coordinating breath with movement to rejuvenate and nurture the body. Gentle yoga is for people new to yoga or for those who want a slower, less strenuous class.

***HIT:** High Intensity Training; total body workout; strength training and cardio.

Kids Classes: Class for ages 3-5 (Pres-school) and 6-12 (Kindergarten and up). Develops flexibility, cardio fitness, muscle strength, and endurance. **ATHLETIC SHOES REQUIRED.**

***Kids Yoga:** Class for ages 3-5 (Pre-school) and 6-12 (Kindergarten and up). Class is specifically for kids. It includes poses to increase strength, flexibility, and coordination. Classes are intended to be fun and may include age-appropriate games, animal sounds, and creative names for poses.

Les Mills BODYCOMBAT: A high energy non-contact martial arts inspired workout that is totally . Punch and kick your way into fitness!

***Les Mills BODYFLOW:** Yoga based class that embraces the elements of Tai Chi & Pilates to improve your mind, body, and life.

Les Mills GRIT SERIES (Strength, Cardio, Athletic): 30-minute High Intensity Interval Training (HIIT) workouts designed for ultimate results in minimum time. The highly-effective exercises are matched with powerful music and led by highly skilled and inspirational coaches who will motivate you to push harder to get you fit, fast.

Les Mills BODYJAM: A mixture of dance and aerobics blended with the latest sounds of hip hop, funk, and Latin American music. A fun cardio workout!

***Les Mills BODYPUMP:** barbell workout for anyone looking to lean, toned, and fit - fast. Using light to moderate weights with lots of repetition, this total body workout challenges all your major muscle groups. Instructors will coach great technique of scientifically proven moves matched to great music and motivation to help you achieve much more than on your own.

Les Mills SH'BAM: Insanely addictive group dance glass, featuring fun, simple yet sassy dance moves.

***LIT:** Low Impact Training; total body workout; strength training and cardio.

Barre: Focuses on strengthening the body with ballet based exercises, also incorporating arms and core.

Active Adult Fitness: Focuses on dynamic cardiovascular exercise, strength training, balance, and flexibility - everything older adults need to maintain health and function as they age.

***Strong Flow Yoga:** Build strength, stamina, and flexibility, while moving through poses.

Tabata Abs: Tabata training consists of 4 minutes of 20 second intervals with 10 second rests. It will go through the circuit 3 or 4 times to tighten your core and slim the waistline.

***Vinyasa Yoga:** Vinyasa means "breath-synchronized movement," and Vinyasa Yoga is a series of poses that will move your through the power of inhaling and exhaling.

***Yoga:** De-stress and relax, build strength, flexibility, and toning using postures and breathing techniques.

Zumba: Utilizes the principles of fitness interval training and resistance training to maximize caloric output, fat burning, and total body toning. Body sculpting movements with easy to follow dance steps.

Parkinson Class: Incorporates exercises that target improving specific deficits with emphasis on cardiovascular, strength, balance, and flexibility. These functions normally decline with age, but in people with Parkinson's, they decline at an accelerated rate. In addition, the exercises are enhanced by including cognition, voice and fun.

Sizzle: Moderate to low impact dance class! New routines each week and have fun burning calories!

KickFit: 60 mins of FUN! This class is designed for EVERYBODY! Intervals of easy-to-follow kickboxing moves...consists of 3 rounds and the Squat finale!

STRONG: High Intensity Training class using more traditional **fitness** moves for a more athletic, conditioning-style workout. You use your own body weight as resistance to achieve muscle **definition**

Les Mills RPM : Cycling workout where you control the intensity. Its a fun, low impact cardio (and strength!) workout where the group spins as one as the instructor takes you on a journey with drills of hills, climbs, uphill runs, sprints, and flat roads.

***Les Mills CXWORX:** 30 minute core training class guaranteed to help you gain strength and stability in your core and help you prevent injuries in your other workouts.

***Foam Rolling:** Learn self-myofascial release techniques through the use of the **foam roller**. Using a **foam roller** as part of your training program will improve flexibility, function, performance, and reduce injuries.

*** Please bring personal mat to class!**
