YMCA

Community Youth Career Development Center

The Community Youth Career Development Center is an outreach program through the Mississippi Department of Human Services, Division of Youth Services.

The program is dedicated to providing services to youth ages 12-18 and their families. The CYCDC program was developed to prepare youth for a better life and future.

Services will be provided with individuals, families and within the school districts of the local counties for Mississippi (George, Hancock, Harrison, and Jackson).

INSPIRE A FUTURE:

WHO OUR PROFESSIONALS ARE:

- A dependable, responsible professional who wants to share new interests and experiences with youth.
- A team player, who is open to supporting and collaborating with others.
- A professional, positive role model and a facilitator.
- Someone who can listen, respect different points of view and empathize with a child's struggles.
- Someone who is willing to make a positive impact in youth development.
